### INFORMATION FOR PARENTS

### NOMINATION FOR SCHOOL BOARD

The School Board at Yakamia PS is a proactive group of parents, staff and community who focus on school programs and the needs of our students. The School Board plays an important role in establishing and reviewing directions of the school, endorsing the school budget and evaluating school performance. All member voices are valued and we strive to provide the best opportunities for our students at Yakamia.

We currently have vacancies for **three parent representatives** and **one community representative** to join our School Board for 2021.

Representatives are appointed for a three-year tenure. Meetings of the Board are held twice a term after school for one hour. All members must complete a Nationally Coordinated Criminal History Check through the Department of Education's screening unit before commencing. There is no cost for this check and you will be sent a link to complete this once you have nominated.

Any parents or community members who would like to nominate for a position on the board are to complete a nomination form attached to this newsletter, or collect one from the front office to complete. Nomination forms are to be addressed to the Principal and are due to the front office by Friday 26 February 2021.

Nominees are asked to provide a brief statement to provide information about themselves, their connection to the school. An election will be conducted if we receive more than the required number of vacancies.

If you require further information, please don't hesitate to call me on 9892 5500.

Kind regards

Gemma Larham
